## NEWSPAPERS ARE GROWING CLEANER

There is no more injurious agency  
than the newspaper which deals in  
filth, and pleasing indeed is the  
fact that the number of papers of  
this character is rapidly decreas-  
ing. Papers that a few years ago  
were the yellowest of the yellow  
have responded to the public de-  
mand for decency in editorial and  
news columns, and it has been a  
long time since we have seen a  
copy of any paper that is publish-  
ed for the purpose of disseminat-  
ing scandal. A few years ago quite  
a number of these sheets were al-  
lowed to exist and spread their  
poisonous virus throughout the  
country. An effort was recently  
made to establish a paper of this  
type at Waterbury, Conn., but the  
offensive editor was quickly jerk-  
ed into the courts and forced to  
suspend publication in order to  
keep out of jail.

There are few papers in which  
improvements have not been noted  
recently. In fact, there is a gen-  
eral demand among publishers and  
editors for only news that is clean  
in character, which is the only  
news that should be published.  
Filth is not news—it is filth.

The Times, with other papers,  
has been endeavoring to make its  
news columns cleaner and cleaner  
with each issue, and has succeed-  
ed to a marked degree. Publica-  
tion of objectionable features is as  
bad as suppressing real news, and  
The Times tries never to be guilty  
of either of these offenses.—Tam-  
pa, Fla., Times.

Postmaster Squire Turner Selects  
Fine Assistants and Adopts  
New Rule.

Postmaster Turner has been au-  
thorized by the Department to add  
an auxiliary clerk to take care of  
the growing business of the local  
office and he has designated Mr.  
Stewart C. Sharp for the position.  
He has also chosen Mr. Courtney  
Horton as substitute city carrier.  
Both are intelligent young men of  
fine morals and will make ideal  
officials.

Additional help has made it pos-  
sible for a new rule to be put into  
force, whereby the stamp and par-  
cel post window will be open at  
all time from seven a. m. to six  
p. m. Heretofore this window has  
been closed during the time the  
various mails were being sorted.  
This rule will be much appreciated  
by the public, as one is often in-  
convenienced by being forced to  
wait for stamps and the transac-  
tion of other business, because of  
the window being closed.

We congratulate Postmaster Tur-  
ner upon the selection of Messrs.  
Sharp and Horton and upon the  
adoption of the new rule.

## ALL THE BIG CITY RAGE

The new Pinch Back in Ivy Green, Silver Grey and Navy  
Blue. Just the thing for young men and men who want  
to stay young. Pinch Back's are the very latest style cre-  
ations. Just coming in and good. Yes, good for many  
months to come. Here is the picture of the style as it  
really stands. See it at WALSH'S. Pinch Back Suits at  
\$10.00, \$12.50, \$15.00 and \$18.00. Walsh's Main Floor.

Gentlemen! Just you watch the good city stores, their ads about what's  
what in style and make and then read our ads and come to the store. Shop a  
little in our windows too, where the style starts; they are the mirrors of the  
store, and you will see that the Walsh way is the progressive way. And a word  
in regard to price. We are always hammering prices, not here but when we  
buy, that's the place to save. Then we are really able to do better for the buy-  
ing public in selling. This week new styles not to be found in any other Mt.  
Sterling store. New prices never duplicated—read them. Prices never lie here.

We win on real value giving. Here is an example actually proven by a  
visit to our store. Pure worsted and serge Suits in brown's, tan's, grey's and  
green in conservative and young men's styles worth today in any store and  
sold for \$20.00. Just while these garments or suits last we will hand them  
out at \$15.00. The man who looks here and looks elsewhere will buy here if  
he seeks quality at a saving. Don't buy until you try here. Walsh's main floor.

This week we open the new Panamas, Leghorns,  
Bangkoks, Bamboos and Sailor Straw Hats. Now gen-  
tlemen, remember when we remove the lid from our  
Straw Hat Box only Knox world renowned and Hop-  
kins style will be shown. These are authoritative. Let  
your good judgment lead hence—tarry neither for the  
hand shake or the look, but come to the Straw Hat  
headquarters.
